Inspired by the timeless beauty of stone and sea, Caspian unveils a shimmering mosaic of classic blue stone intricately inlaid with swirling spirals. Golden accents swirl and flow through the design like hidden treasures, catching the sunlight and evoking warmth, elegance, and discovery.

Quartz Garden

Serene Tropics

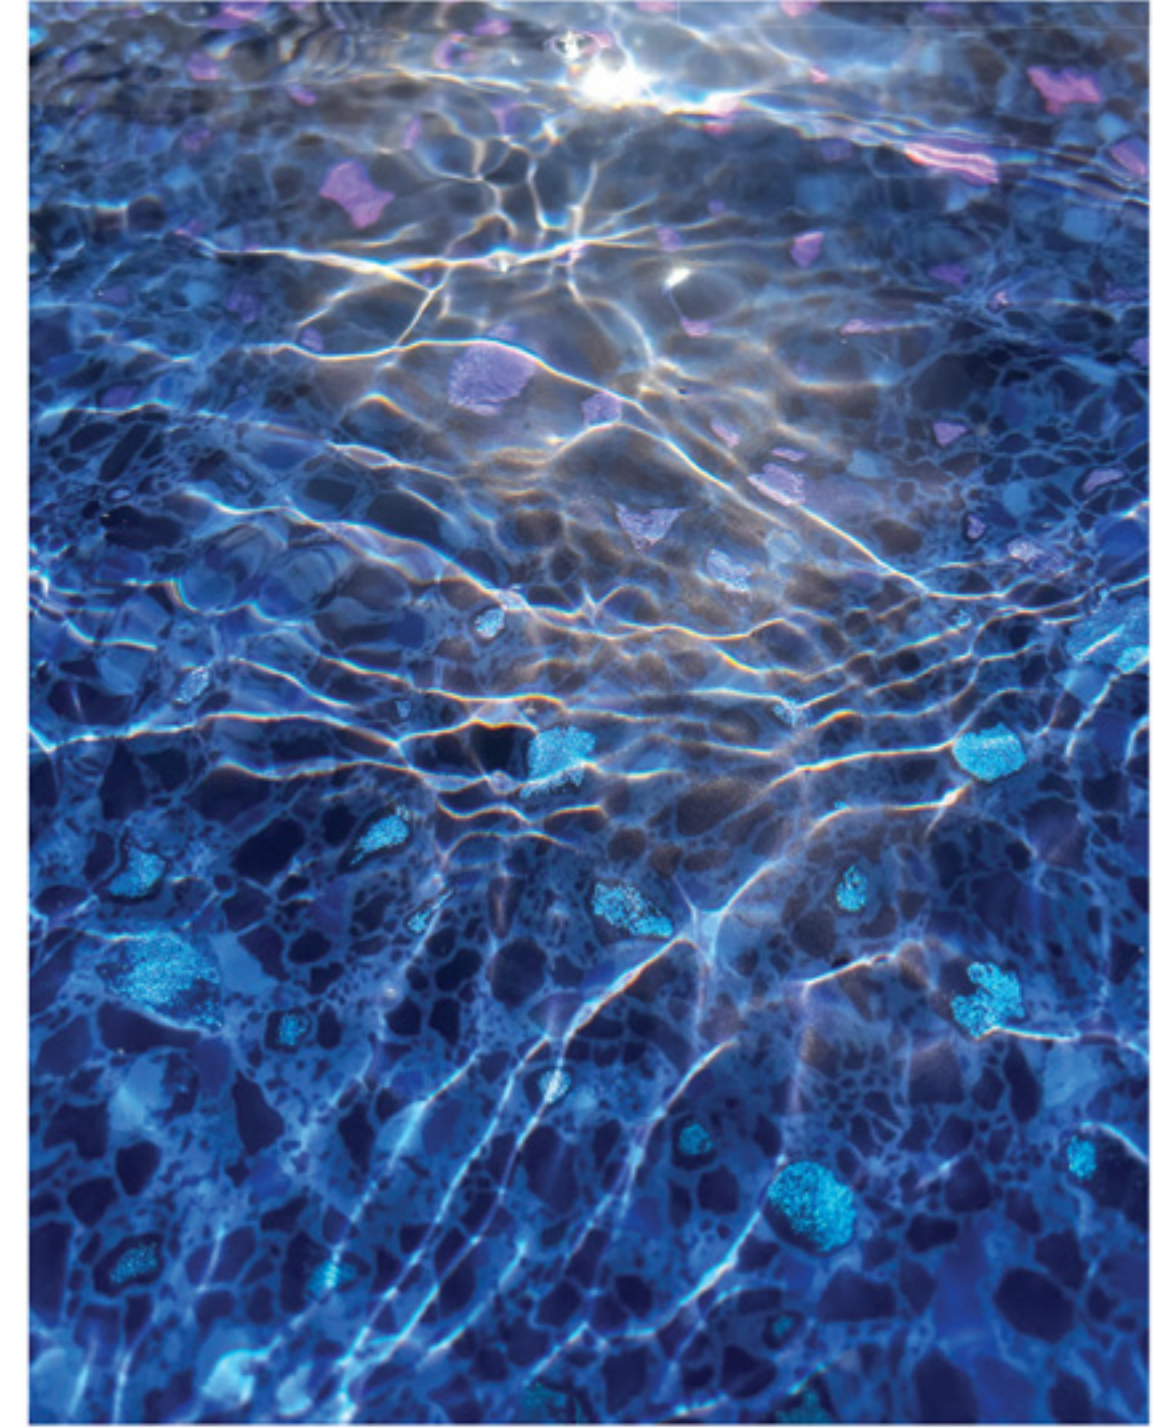

Quartz Garden brings a calm, tropical water colour to the lineup with airy quartz textures and soft teal hues that reflect the sky and surrounding landscape.

Dynamic Radiance

A bold statement in pool design, Antigua Twilight is where artistry meets innovation. Crafted with our exclusive colour shift light-interactive ink and our Deep Royal Navy base film, this pattern delivers a brilliant, colour-shifting terrazzo effect that shimmers with teal and starlight accents.

Lake Tahoe

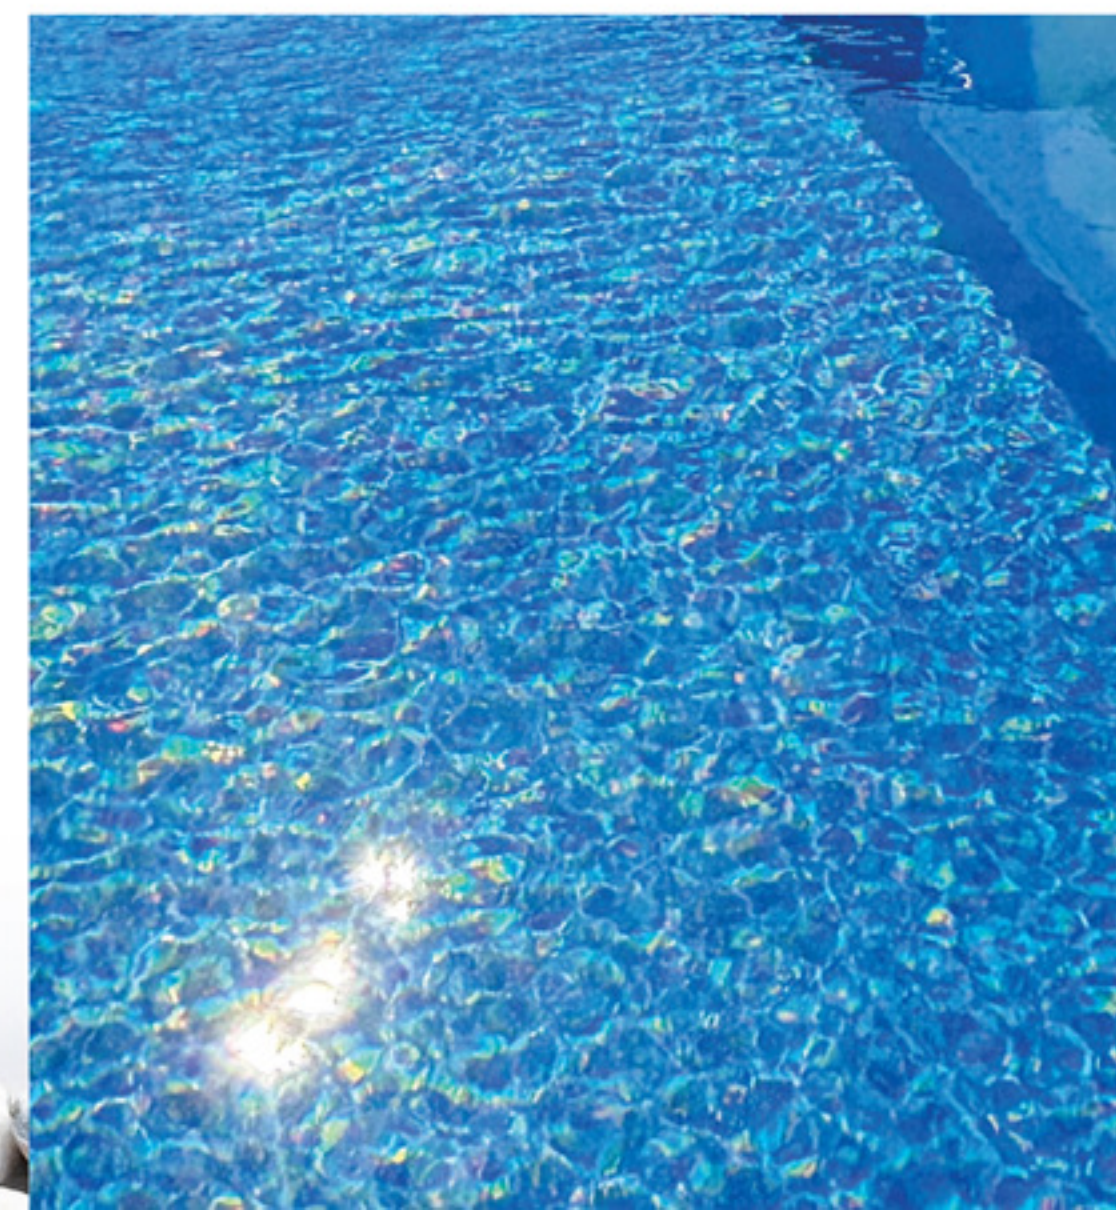

Vibrant Blue

Inspired by the sparkling clarity of pristine Georgian Bay waters, Lake Tahoe is designed to be the centerpiece of any backyard oasis. This vibrant all-over pattern showcases teal waves that dance along the waterline, offering a fresh and unique design. Also available with the elegant Water Street border for added versatility.

Cirali Beach

Golden Luxe

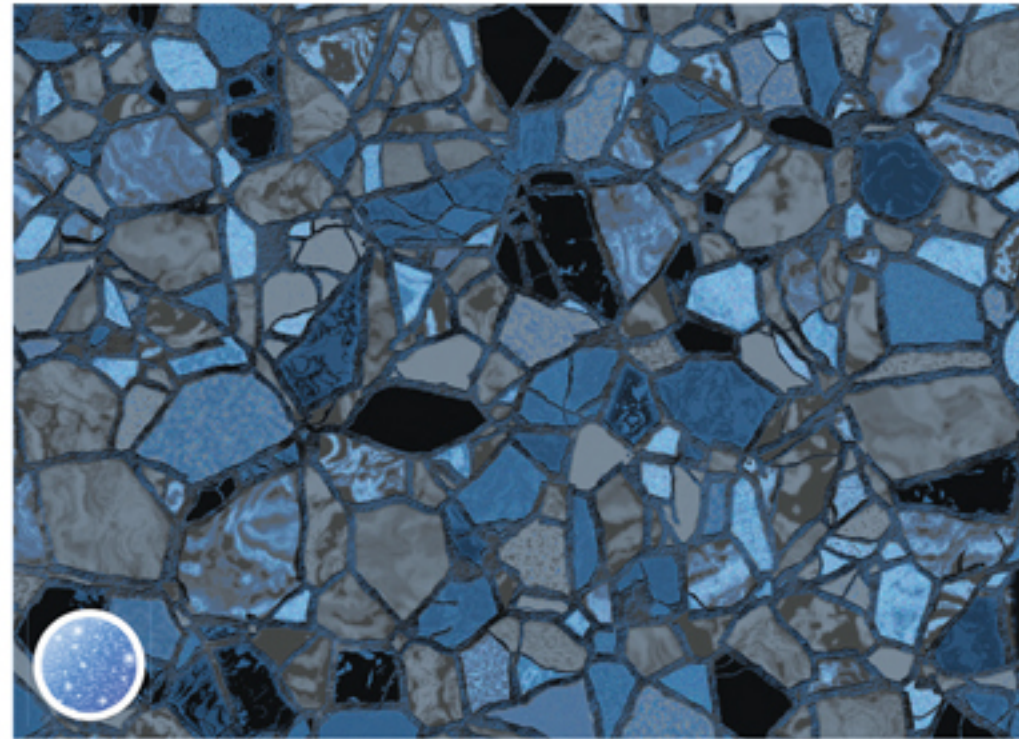

Enhanced with shimmer gold ink from Poolside by CGT, Cirali Beach combines the appearance of soft natural stone with a galaxy of shimmering gold pebbles for a luxurious sparkling effect.
